**Our Nation's military does not serve alone. During National Veterans and Military Families Month, we recognize that our military and veteran families also answer our Nation's call to duty. Military-connected families face transitions and PCSing, separations and deployments, uncertainty and waiting. They also celebrate in reunions, neighbors who become family, and the bond of resiliency that ties military communities together. When the duty of military life becomes strenuous there are resources on base. Our Military & Family Life Counselors are available to provide free, non-medical counseling for adults and children. Contact MFRC at 575-572-7754 for adult services and the School Liaison 575-430-5102 for children and youth services.**

**Holloman Military & Family Readiness Center's mission is equipping military members and their families to adapt and overcome the unique demands of military life through programs, support, and services.**

White Sands Family Dental is proud to support our active duty and non-active duty military personnel. Stop by our office across from Walmart or give us a call and schedule your next dental appointment with us.
