Things to Know

- ✓ Event Funds/APF: Designated to pay for or offset the cost of cohesive recreational programs and services.
UNITE pays for up to \$10 per person for events.
- ✓ Food Funds/NAF: To pay for food and beverages in support of a UNITE event only. CANNOT be used for a food-based program or event without an approved recreational UNITE event.
UNITE pays for up to \$6 per person for events.
- ✓ Both funds do not need to be used for a UNITE event. You can have an APF-funded event with no food, but you cannot have a NAF-funded event with no recreation.
- ✓ For any event exceeding the UNITE allocation, the remainder will be paid for by the unit.
- ✓ UNITE funds are allocated based on unit personnel numbers. (ex. A unit with 186 personnel will received \$1,860 in APF funds and \$1,116 in NAF funds for the year).
- ✓ Funding is available to those assigned to Holloman AFB:
 - Active Duty
 - Civilians: APF and NAF
 - AF Reserve and Guard Units
 - Family members (can participate at Commander's discretion)
 - Contractors do not receive funding (can still participate, but would pay out of pocket)
- ✓ Events do not need to be held during duty hours
- ✓ Events can be held on and off base

UNITE at Holloman AFB!

In August 2016, Air Force Chief of Staff (CSAF) General David Goldfein, released his letter to Airmen titled, "The Beating Heart of the Air Force... Squadrons! In turn, AFSVA was asked to establish an activity-rich program that would empower Squadrons/Units with options to facilitate cohesion.

The UNITE Program at Holloman was developed to provide squadron leaders with the maximum flexibility to deliver programs that build cohesion for personnel within their unit. Program funding is allocated based on unit end strength as of 30 December on a calendar year basis.
