Make Sure You Meet Eligibility Requirements

The Federal Aviation Administration (FAA) has a detailed list of eligibility requirements that you must meet in order to embark on your journey toward your Private Pilot License (certificate). Briefly summarized, these requirements insist that all Private Pilot License applicants must...

- Be at least 17 years old.
- Adequately speak, read, and understand English.
- Have the physical and mental abilities needed to successfully complete all flight training requirements as well as the final knowledge exam, verbal exam, flight test, and logging flight hours.

If you have specific questions about your eligibility for a private pilot license, contact us at (575) 572-3752
